Notes

These are all of the ship, air and base counters needed to play the Pacific War scenarios in Carrier Clashes. Note that alternate units are provided as required for these scenarios. For example, some US carriers have F4F-3 air units, F4F-4 air units with a range of 3, and F4F-4 air units with a range of 4. Similarly, some carriers have both SBD-2 and SBD-3 units. All carrier air groups are provided at full strength, even though scenario rules may specify reduced strengths. When selecting units for a particular scenario, use the pdf of the counters for the scenario to select the right counters from this counter mix.
